Several times people have asked me to organize a projecttrip to visit our projects. We are set! On **April 23th 2016** we are organizing a combitrip in cooperation with Oranje Safari in Kenya. A visit to our projects (incl the new project in cooperation with **Wilde Ganzen**) next to that you will get an impression of Kenya, North & South coast region.

You will visit our projects in Matsangoni, Kilifi county accompanied by Philip Kahindi of Pamoja Kenia (in Kenya) on foot, through the Sabuko Forest where you will see a variety of plants and fruits which grow here. Here you will meet with the local people. It is a unique chance to look behind the scenes in Kenya. And of course you can hear for yourself how glad the locals are with the help of Pamoja Kenya.

You will go on Safari accompanied by Harry Kisamwa, owner of Oranje Safari (in Kenia), you sleep in a lodge. You go to the beach to relax and swim in the beautiful blue Indian Ocean. You will visit Hell's Kitchen, a spectacular highlight arise by Mother Nature through erosion. You will visit Mombasa where we will go to the Kikoi shop where we buy the kikoi for our webshop. Also we go to Malindi (where the Italian's live) to visit the small factory where our slippers are made and designed. A visit to the woodcarving village Akamba is something not to be missed.

You sleep in good comfortable 3-4 star accommodation all with a swimming pool.

You have become curious? Join one of our information evenings to learn more about this trip in October and let yourself be inspired to go on Safari (means travel in Swahili) by ravishing Kenya, coast region.

The departure date is **Saturday April 23th 2016** and return on **Sunday May 1th 2016**.

The costs of this trip are for now estimated (with a margin) on €2000,- pp. Most probably it will be cheaper but this depends on the amount of participants and the prizes of the airlinetickets. The total cost is based on all inclusive (with exception of the drinks during the safari (2 nights). The sooner we book the cheaper it gets.
